- (B) No pleadings shall be accepted for filing by the Clerk if said pleading does not contain a caption setting forth the name of the Court, the title of the action and case number.**
- (C) Form Size: All papers filed with the Clerk shall be on 8 ½" x 11" paper, with the exception of exhibits. All filings shall have a top margin of at least one and one-half inches (1 ½").**

RULE 1.05 FACSIMILE FILINGS.

- (A) As provided for under Civil Rule 5 (E), Civil Rule 73 (J), Criminal Rule 12 (B) and App R 13 (A), the Court will allow filing of pleadings and other documents through the Clerk of Court by facsimile transmission to 419-636-3417 subject to the following conditions:**

- (1) The rules apply to the civil, small claims, criminal, traffic and appellate proceedings in the Bryan Municipal Court.**

- (B) A document filed by fax shall be accepted as the effective original filing. The person making a fax filing need not file any source document with the Clerk of Court but must, however, maintain in his or her records and have available for production on request by the court the source document filed by fax, with original signatures as otherwise required under the applicable rules, together with the source copy of the facsimile cover sheet used for the subject filing.**

- (C) The source document filed by fax shall be maintained by the person making the filing until the case is closed and all opportunities for post judgment relief are exhausted.**

- (D) DEFINITIONS. As used in these rules, unless the context requires otherwise:**

- (1) A "facsimile transmission" means the transmission of a source document by a facsimile machine that encodes a document into optical or electrical signals, transmits and reconstructs the signals to print a duplicate of the source document at the receiving end.**

- (2) A "facsimile machine" means a machine that can send and receive a facsimile transmission.**

- (3) "Fax" is an abbreviation for "facsimile" and refers, as indicated by the context, to facsimile transmission or to a document so transmitted.**

- (E) COVER PAGE. The person filing a document by fax shall also provide therewith a cover page containing the following information:**

- (1) The name of the court;**
- (2) The title of the case;**
- (3) The case number;**
- (4) The assigned judge;**
- (5) The title of the document being filed (e.g. Defendant Jones' Answer to Amended Complaint; Plaintiff Smith's Response to Defendants' Motion to Dismiss; Plaintiff Smith's Notice of Filing Exhibit "G" to Plaintiff Smith's Response to Defendant's Motion to Dismiss);**
- (6) The date of the transmission;**
- (7) The transmitting fax number;**
- (8) An indication of the number of pages included in the transmission, including cover page;**
- (9) If a judge or case number has not been assigned, state that fact on the cover page;**

- (2) Deposit the document in a file of failed faxed documents with a notation of the reason for the failure; in this instance, the document *shall not* be considered filed with the Clerk of Court.**

(G) The Clerk of Court is not required to send any form of notice to the sending party of a failed fax filing. However, if practicable, the Clerk of Court may inform the sending party of a failed fax filing.

Failure to file the missing exhibits as required by this paragraph may result in the court striking the document and/or exhibit.

Any exhibit filed in this manner shall be attached to a cover sheet containing the caption of the case which sets forth the name of the court, title of the case, the case number, name of the judge and the title of the exhibit being filed (e.g., Plaintiff Smith's Response to Defendants' Motion to Dismiss), and shall be signed and served in conformance with the rules governing the signing and service of pleadings in this court.

(J) TIME OF FILING. Subject to the provisions of these rules, all documents sent by fax and accepted by the Clerk shall be considered filed with the Clerk of Court as of the date and time the Clerk time-stamps the document received, as opposed to the date and time of the fax transmission. The office of the Clerk of Court will be deemed open to receive facsimile transmission of documents on the same days and at the same time the court is regularly open for business.

Fax filings may NOT be sent directly to the court for filing but may only be transmitted directly through facsimile equipment operated by the Clerk of Court.

The Clerk of Court may, but need not, acknowledge receipt of a facsimile transmission.

RULES OF PRACTICE GOVERNING CIVIL CASES

RULE 2.01 CASE MANAGEMENT IN CIVIL CASES: The purpose of this Rule is to establish pursuant to M.C. Sup. Rule 18, a system for civil case management which will achieve the prompt and fair disposal of civil cases.

(A) SCHEDULING: The scheduling of a case will begin when a civil case is filed and the Civil Division clerks shall perform the following steps:

- (1) Issue summons in accordance with the Ohio Rules of Civil Procedure. In the event there is a failure of service, the Clerk shall immediately notify counsel. If counsel fails to obtain service of summons within six (6) months from the date of cause of action was filed, then the Clerk shall notify Counsel that the case will be dismissed without prejudice in ten (10) days unless good cause is shown to the contrary.**
- (2) After any responsive pleading is filed, the Clerk shall immediately schedule the matter for a pre-trial hearing and/or motion hearing.**
- (3) If no action has been taken on a file for a six (6) month period and the case is not set for trial, then the Clerk shall notify the filing party that the matter will be dismissed pursuant to M.C. Sup. Rule 6 within ten (10) days unless good cause is shown to the contrary.**
- (4) When a file has been marked "settlement entry to come" and the entry has not been received within thirty (30) days then the Clerk shall notify the party that his case will be dismissed unless the entry is received within ten (10) days.**

(B) MOTIONS: All motions must be in writing and accompanied by a written memorandum containing citations or the arguments of counsel. A proposed judgment entry for the Court's review and consideration should also be submitted with the motion.

Opposing counsel shall file any response in opposition in writing, including citations to legal authorities and arguments within fourteen (14) days thereafter. All motions will be considered submitted at the end of said fourteen (14) day period unless the time is extended by the Court.

There will be no oral hearings granted on said motions unless the Court deems it necessary.

No motion for summary judgment shall be filed in any case after it has been set for pre-trial or trial without leave of Court as provided in Rule 56 of the Ohio Rules of Civil Procedure.

- (C) PRE-TRIALS:** For the purpose of this rule, "pre-trial" shall mean a Court supervised conference chiefly designed to produce an amicable settlement and to establish a case management schedule. The term "party" or "parties" used hereinafter shall mean the party or parties to the action, and/or his, her or their attorney of record.

Any attorney or party to the action who fails to attend a scheduled pre-trial conference without just cause shown may be punished for contempt of Court.

Notice of pre-trial conferences shall be given to all parties or counsel of record by mail and/or by telephone from the assignment commissioner not less than fourteen (14) days prior to the conference. Pre-trials will generally be set within thirty (30) days after all responsive pleadings (i.e. answers, counter-claims, cross claims, Rule 12 motions, etc.) have been filed. Any application for continuance of the conference shall be addressed with the Judge.

Counsel attending the pre-trial conference must have complete authority to stipulate on items of evidence and must have full authority to settle the case. The primary purpose of the pre-trial shall be to achieve an amicable settlement of the controversy. In the pre-trial conference the parties and the Court will strive to narrow the legal issues, reach stipulations as to facts in controversy and determine cut off dates for discovery, motions and other pre-trial proceedings.

The Court may prepare a pre-trial order reciting the action taken at the pre-trial conference. The order, when filed, shall control subsequent proceedings in the case unless it is modified in order to prevent injustice to any one of the parties. At the pre-trial the Court shall, if applicable, determine whether or not trial briefs should be submitted and shall fix a date when they are to be filed.

If the case cannot be settled at the pre-trial conference the case will be set for trial.

- (D) CONTINUANCES:** No party shall be granted a continuance of a trial, pre-trial or hearing without a written motion from the party or his counsel stating the reason for the continuance. Motions for continuance must also be accompanied with a judgment entry for the Court's consideration.

When a continuance is requested for the reason that counsel is scheduled to appear in another case assigned for trial on the same date in another court,

counsel shall attach a copy of said assignment notice to the motion for continuance. The case which was set first for trial shall have priority and shall be tried on the date assigned. Criminal cases assigned for trial have priority over civil cases assigned for trial. The granting of any other request for continuance of a scheduled trial, hearing or pre-trial is a matter within the discretion of the Trial Court.

If the written request for a continuance is not received prior to the scheduled court date, said request must be made on record on the scheduled date.

Only one continuance will be granted for cases assigned for a debtor's exam. Said exam must be held by the plaintiff during the scheduled court time or a new request for the examination must be filed along with the court costs pursuant to Exhibit A.

- (E) JUDGMENT ENTRIES: Counsel for the party in whose favor an order or judgment is rendered shall prepare a journal entry, if requested to do so by the Court. That entry shall be submitted to opposing counsel within ten (10) days of the decision. Opposing counsel shall approve or reject the entry within ten (10) days of receipt. Within thirty (30) days of the decision, the journal entry shall be submitted to the Judge for approval and signature. If a journal entry is not submitted within the time period stated the Court may prepare the journal entry.**

Entries of settlement may be filed at any time. The avoidance of trial by settlement shall be allowed without the filing of an entry, but such entry shall be filed within thirty (30) days after notice to the Court of settlement or the case may be dismissed for want of prosecution.

ALL JUDGMENT ENTRIES INCLUDING SETTLEMENT ENTRIES SHALL STATE WHICH PARTY WILL PAY THE COURT COSTS.

- (F) Corporations shall be represented by counsel.**

RULE 2.02 LANDLORD/TENANT ACTIONS: Ohio Revised Code Chapter 1923 shall govern landlord/tenant actions filed in this Court.

- (A) The defendant shall be served a summons in accordance with Ohio Revised Code Section 1923.06. The hearing date will be set as close to twenty-one (21) days from the date of filing as possible. The service of summons shall be at least seven (7) days before the trial date. Return of service of summons shall be made as soon as practicable after filing the complaint.**

- (B) Either party may demand a trial by jury in accordance with Section 1923.10 of the Ohio Revised Code. Said jury demand must be filed no later than three (3) days**

prior to the date set for trial. No continuances shall be granted longer than eight (8) days but for good cause and only in accordance with Ohio Revised Code Section 1923.08. Plaintiff and plaintiff's attorney if represented are required to be present in court at the time of the hearing or the case may be dismissed.

- (C) If defendant fails to appear at the forcible entry and detainer (FED) hearing for possession of the premises, no default judgment on the first cause of action shall be ordered unless testimony is taken from the plaintiff or witness having personal knowledge regarding the proper form and service of any statutorily required notices and regarding the grounds for the request for restitution of the premises.**
- (D) A copy of all notices required to be served upon the tenants pursuant to Ohio Revised Code Chapters 5321, 5313, 3733 and 1923 or pursuant to federal regulations shall be attached to the complaint as well as any document required pursuant to Rule 10(D) of the Ohio Rules of Civil Procedure.**
- (E) When a second cause of action in an FED has been filed alleging money damages, after the issue of possession of premises has been determined, the case will be continued for defendant to answer within 28 days of service of the complaint. In cases where defendant files an answer the case will be set for pre-trial or motion hearing. If defendant fails to appear or otherwise defend, default judgment may be entered in accordance with these rules and the Ohio Rules of Civil Procedure.**
- (F) In FED cases based upon failure to pay rent where a counter-claim has been filed, the defendant shall be entitled to a single trial consolidating all claims in accordance with Ohio Revised Code Section 1923.061. To initiate this procedure, defendant must first serve a counter-claim upon plaintiff and file the same with the Clerk of Court before the trial date and shall deposit with the Clerk of Court all or part of the past due rent and rent becoming due during the pendency of the action, unless the Court waives the requirement for good cause. If the defendant complies, the case shall be continued no more than three (3) weeks for resolution of all issues between the parties.**
- (G) Rent escrow proceedings may be initiated pursuant to Ohio Revised Code Section 5321.07 or 3733.121 by filing an application with the Court and depositing with the Clerk all rent money due to the tenant's landlord. The bailiff shall serve the landlord by personal or residential service in accordance with Rule 4.1(2) or (3), Ohio Rules of Civil Procedure. A hearing shall be held within fourteen (14) days from the date of filing. At the hearing the tenant must prove by a preponderance of the evidence that before filing the application for rent escrow:
 - (1) Reasonable notice was given to the landlord;****

- (2) The landlord violated a statutory or contractual duty justifying the action; and**
 - (3) The tenant was current in rent.**
- (H) If the tenant fails to satisfy the burden of proof at a rent escrow hearing the court shall proceed in accordance with Section 5321.09 (C) or 3733.122 (C) or (D) of the Ohio Revised Code in releasing to the landlord the rent on deposit, less costs.**

RULE 2.03 WRITS: All requests for any writ to be issued must be made in writing and the appropriate filing fee paid to the Clerk before said writ will be issued.

RULE 2.04 DEFAULT JUDGMENTS: In a civil case, when the Defendant is in default for appearance or answer, judgment shall be rendered in accordance with Rule 55 (A) of the Ohio Rules of Civil Procedure.

- (A) If the defendant has failed to plead or otherwise defend (having entered no appearance) the Court may grant a default judgment immediately upon written or oral motion in a case involving a liquidated claim, accompanied by an appropriate judgment entry.**
- (B) If the defendant has failed to plead or otherwise defend the Court may grant a default judgment in the amount of the prayer if the action is for recovery of money only arising out of damages to personal property and if an affidavit with supporting documentation signed by a party with actual knowledge is filed. Said documentation must verify that the prayer of the complaint reflects a reasonable cost of repairing the property or its diminution in value, whichever is less.**
- (C) In FED actions if the defendant has failed to appear or otherwise defend on the second cause of action, default judgment may be entered upon an oral or written motion which judgment is based upon a liquated claim and when the motion is accompanied by an affidavit with supporting documentation signed by a party with actual knowledge verifying that the amount is accurate. A second cause of action claiming unliquidated damages will be set for an assessment hearing.**
- (D) The party seeking relief by default judgment shall file with the motion an affidavit in compliance with the Soldier's and Sailor's Civil Relief Act, 50 U.S.C. Section 520(1). Failure to file the affidavit may render the judgment voidable as provided by federal law.**
- (E) If the defendant has entered an appearance in the action in accordance with Civil Rule 55(A) a hearing shall be set on the application for the default judgment**

with defendant or defendant's representative being given at least fourteen (14) days notice before the hearing date.

- (F) In a case seeking default judgment based upon a contract, account or note with a specified interest rate, interest shall accrue at the appropriate rate until date of judgment, when interest accrued will be added to the principal due. Upon date of judgment, interest will accrue at the statutory rate of interest as provided by Ohio Revised Code Section 1343.03.**
- (G) A default judgment may only be vacated in accordance with Rule 60 of the Ohio Rules of Civil Procedure.**

RULE 2.05 COGNOVIT NOTE JUDGMENTS: No judgment based upon a warrant of attorney to confess judgment against the defendant contained in any instrument executed after January 1, 1974 shall be rendered by the Court unless the requirements of Ohio Revised Code Sections 2323.13 have been met.

RULE 2.06 SATISFACTION OF JUDGMENT: Satisfaction in whole or part of any judgment shall be effected by filing an appropriate order or entry with the Clerk which has been approved by the plaintiff or judgment creditor or his counsel. Payment of costs, unless otherwise excused by the Court for good cause shown shall be required prior to any filing of an order or entry satisfaction.

RULE 2.07 REVIVOR OF JUDGMENT: All costs accrued in a case must be paid upon the filing of a motion to revive a judgment. Motions to revive judgment must be filed in writing and served upon the other party. A hearing shall be scheduled and notice be given at least fourteen (14) days prior to the scheduled hearing date.

RULE 2.08 JURY TRIALS: Jury trials will be conducted in accordance with the Ohio Rules of Civil Procedure and the following local rules:

- (A) In a civil case other than FED actions either party may demand a trial by jury within the time specified by Rule 38 of the Ohio Rules of Civil Procedure by first filing a deposit as set forth on Exhibit A with the Clerk of Court. Said jury demand and deposit must be filed fourteen (14) days prior to the date scheduled for trial.**
- (B) In FED actions a jury may be demanded as specified in Ohio Revised Code Section 1923.10 and upon posting bond as specified in Ohio Revised Code Section 1923.08.**

- (A) Defendants in criminal cases shall be required to appear before the Court by notice to appear, summons, arrest or continuance from a former court date. Defendants must appear for arraignment and no waiver of arraignment shall be allowed unless made by defendant or legal counsel in person or in writing prior to the arraignment date or upon express oral approval of the Judge. A plea of not guilty may be made by the defendant in writing at which time the case will be assigned either for trial or pre-trial conference.**
- (B) In any case in which there is a request for protection order signed by the victim or arresting officer, the arraignment must be held in order to address the issue of the protection order. In the event that an attorney enters his/her appearance on behalf of the defendant, they must both appear for said arraignment to address the protection order request.**
- (C) Service shall be made in accordance with the applicable Rules of Criminal Procedure and Traffic Rules.**

RULE 3.02 BENCH WARRANTS: The Court may issue bench warrants pursuant to Rule 4, Ohio Rules of Criminal Procedure in accordance with the following guidelines:

- (A) Defendants who fail to appear in court for initial appearance or arraignment who have been properly notified to appear by means of citation or summons and for whom there is a mandatory court appearance may have bench warrants issued against them by the Court.**
- (B) In those minor misdemeanor cases where defendants do not have a mandatory court appearance and fail to pay the fine and costs or to appear, bench warrants may be issued, with appropriate fees being assessed. Further, pursuant to Ohio Revised Code Section 2935.27 (d) in minor misdemeanor traffic cases, the Court in addition to issuing a bench warrant or in lieu thereof, may declare a forfeiture of defendant's operator's license for failure to pay fines/costs or appear.**

A person charged with a minor misdemeanor offense or such other misdemeanor offense as from time to time may be specifically included in this procedure by administrative order of the Court, may, in lieu of appearance in court and within the time specified in the citation, appear personally at the Clerk's Office or by mail pay the stated fine and costs established by administrative order of the Court. Payments received under the Traffic Violations Bureau are considered pleas of guilty to the ticketed offense.

(B) NOT GUILTY PLEA IN MINOR MISDEMEANOR CASES: If the defendant enters a not guilty plea to a minor misdemeanor traffic and/or criminal offense and it is not a companion offense to a higher degree misdemeanor and/or felony charge the matter will then be scheduled for a trial to the Court within the specified time in the Ohio Rules of Criminal Procedure unless the time limitation is waived by the defendant.

RULE 3.04 TRAFFIC VIOLATIONS BUREAU: Pursuant to Ohio Traffic Rules (OTR) 13, a Traffic Violations Bureau is hereby established. A person (but not an organization as defined in O.R.C. Section 2901.01(d)) charged with a traffic violation waiveable under OTR 13 or under administrative order of the Court, may in lieu of appearance in court and within seven days from the date of the citation either appear personally at the Clerk's Office and pay said fine and costs or send payment by mail postmarked within seven days of the citation date. All fines and costs are established by administrative order of the Court. Payments received under the Traffic Violations Bureau are considered pleas of guilty to the ticketed offense.

RULE 3.05 CASE MANAGEMENT IN CRIMINAL/TRAFFIC CASES: The purpose of this rule is to establish, pursuant to M.C. Sup. Rule 18, a system for criminal case management which will provide for the fair and impartial administration of criminal cases. These rules shall be construed and applied to eliminate unnecessary delay and expense for all parties involved in the criminal justice system.

(A) ARRAIGNMENTS: All criminal and/or traffic cases shall be arraigned in accordance with the Ohio Rules of Criminal/Traffic Procedure and Local Rule 3.01(A).

(B) PRE-TRIALS: At arraignment or upon the filing of a written plea of not guilty, all first degree and second degree misdemeanors shall be set for pre-trial conference by the Clerk's Office. All other misdemeanors shall be set for trial unless the Judge orders a pre-trial or defendant requests that a pre-trial be scheduled in his/her respective case and waives his/her right to a speedy trial.

When possible said pre-trials are to be scheduled within thirty (30) days after arraignment or at the Court's earliest convenience.

The pre-trial shall be conducted in accordance with Criminal Rule 17.1 and a memorandum of the matters agreed upon may be filed in said case by the City Attorney/Prosecutor.

The respective parties are to exchange discovery and file any pre-trial motions within the time specified by the Court prior to the pre-trial conference.

At the conclusion of each Court ordered pre-trial the matter will be scheduled for either a motion hearing or trial. Nothing in this rule shall be construed to prevent defense counsel and/or the prosecutor to conduct informal pre-trials as their respective schedules may allow prior to hearing and/or trial dates.

Any attorney who fails to appear for pre-trial without just cause being shown to the Court may be found in contempt of court. If the defendant should fail to appear for pre-trial and his/her absence cannot reasonably be explained by his/her respective counsel, a warrant will be ordered for said defendant's arrest.

- (C) MOTIONS: All motions shall be made in writing and accompanied by a written memorandum containing the arguments of counsel. Motions must be filed within the time limits established by the Ohio Rules of Criminal Procedure.**
- (D) CONTINUANCES: Case(s) shall not be continued except upon motion and order of this Court.**

When a continuance is requested for the reason that counsel is scheduled to appear in another case assigned for trial on the same date in another trial court counsel shall attach a copy of said assignment notice to the motion for continuance. The case which was set first for trial shall have priority and shall be tried on the date assigned. Criminal cases will have priority over civil cases and felonies have priority over misdemeanors.

If the written request for a continuance is not received prior to the schedule court date, said request must be made on record on the scheduled date.

Written motions and accompanying judgment entries must be filed within five (5) days after any oral requests for a new date.

The time shall be taxed to the party filing the motion for continuance for purposes of computing the time in which a case must be resolved.

RULE 3.06 TRIALS:

(A) TRIALS TO THE COURT: Each case not resolved at the pre-trial and not scheduled for a motion hearing shall be set for trial to the Court unless a jury trial has been demanded in accordance with Rule 23 of the Ohio Rules of Criminal Procedure.

(B) JURY TRIALS: A criminal and/or traffic defendant charged with a Misdemeanor of the fourth degree or a higher offense is entitled to a jury trial pursuant to Rule 23(A) of the Ohio Rules of Criminal Procedure. Except as otherwise provided herein, a defendant shall be tried to the Court unless a jury demand has been filed with the Court.

A written waiver of a jury demand is required in all cases wherein a written jury demand had previously been filed. Said waiver must be filed prior to the scheduled trial date or prior to the entrance of any plea or commencement of any trial to the Court.

Counsel for the respective parties should confirm the plea hearing date or trial to the Court date with the Clerk's Office.

(C) If a jury is called to serve and the case is resolved prior to the jury appearing the defendant will be charged a cost in accordance with Exhibit A. If the jury appears for duty and the case is then resolved, the case will be assessed a fee also in accordance with Exhibit A.

RULE 3.07 CRIMINAL / TRAFFIC COURT COSTS: The court costs in all criminal and traffic cases shall be set in attached Exhibit A.

RULE 3.08 METHOD OF PAYMENTS & PAYMENT WITH COINS: Payment by cash, money order, personal or certified checks are acceptable. Payment by Visa or MasterCard credit cards may be accepted in the Criminal and Traffic Divisions of this Court.

Cash payments made to the court in coins shall not exceed Five Dollars (\$5.00).

RULE 3.09 WITNESSES AND SUBPOENAS: It is the responsibility of counsel to ascertain the availability of witnesses and to arrange to have them available when their respective case is called.

(A) Counsel shall instruct witnesses to check in at the Clerk's Office upon arrival in order to verify their attendance and in order to be entitled to any witness fees.

- (B) The Clerk's Office shall process subpoenas from a praecipe or written instructions filed at least seven (7) business days in advance of the trial unless otherwise allowed by the Court. Subpoenas shall be served as provided in Rule 17(D) of the Ohio Rules of Criminal Procedure.**

RULE 3.10 DRIVING PRIVILEGES: The court may grant driving privileges upon request. However, privileges are not valid unless current insurance is in affect throughout privilege period. No privileges shall be granted during non-compliance suspensions unless the offense giving rise to said suspension was within the jurisdiction of the Bryan Municipal Court and the case was properly disposed of in said court.

Rule 3.11 PROBATION AND PROGRAMS OPERATED BY PROBATION DEPARTMENT:

- (A) FEES:** Each probationer shall be assessed supervision fee(s) as set forth in Exhibit A.
- (B) PROGRAM FEES:** Each offender who is ordered to complete a program operated by the Probation Department will be ordered to pay a fee as set forth in Exhibit A to attend and complete the program.

All of the above fees shall be assessed as court costs and shall be paid through the Clerk's Office and are non-refundable.

These local rules shall be effective immediately and shall govern all proceedings in actions brought after they take effect and also further proceedings in pending actions, except to the extent that, in the opinion of the court, their application in a particular action pending on the effective date would not be feasible or would work an injustice, in which event, the former procedure applies.
